Conditions:
Reasonable prior notice and opportunity to inspect any AcuJoist ACJ Series I-Joists must be given before we will honour this warranty. If inspection confirms that a defect exists and has caused a structural problem, we may repair or replace (at our option) the product at our expense. Any defect or damage resulting in whole or part from exposure to the elements, fire, or natural disaster, improper handling, improper use or improper installation techniques is not our responsibility and is not covered by this warranty.

Disclaimer:
The Limited Lifetime warranty stated above is exclusive and in lieu of any other warranty, expressed or implied, including but not limited to any implied warranty of merchantability or fitness for a particular purpose. Correction of the defects in the manner and under the conditions stated above shall constitute fulfillment of all our obligations and liabilities to any person with respect to the covered products, whether based on contract, negligence, strict liability or otherwise. No person or entity is authorized to create for us any other obligation or liability to any person relating to covered products. In no event will we be liable for indirect, special, incidental or consequential damaged of any kind sustained from any cause.
